This Cornerstone community's former model home sits on a beautifully landscaped and private corner lot. The open floor plan, 9ft ceilings, spacious family room with gas fireplace and formal dining area make it perfect for entertaining. The kitchen features granite countertops, a large island, storage pantry, and second dining space. Upstairs, you'll find four bedrooms, a large bonus room, and two bathrooms. The primary bedroom includes a 5-piece bath and walk-in closet. Central A/C and tankless water heater add comfort. Private, fully fenced backyard with patio and storage shed. Three well-maintained community parks with playgrounds and sports court. Close to schools, dining, and shopping w/easy access to Hwy 18.
